ABOUT ERICA

Erica is the founder of Still Minds Studio, where she designs handcrafted jewellery and delivers creative workshops that inspire confidence, creativity and wellbeing.

Alongside her work within the NHS leading large-scale transformation programmes, she brings a passion for creativity, inclusion and problem-solving into every workshop.

Her aim is simple: to create relaxed, welcoming sessions where young makers can explore, experiment and leave proud of what they've made.

WHEN

Thursdays 1:00 – 3:00pm
23rd July – 20th August (5 weeks)

WHERE

Haven Community Hub – Main Hall

Let's make something beautiful together!

YOUNG MAKERS STUDIO: SUMMER CREATIVE ADVENTURES

A five-week creative programme designed to inspire imagination, build confidence and encourage creativity through hands-on making.

Young Makers Studio offers children the opportunity to explore jewellery making, wire work and creative crafts in a relaxed and welcoming environment. Each week introduces a new skill and a new project to take home, with opportunities to personalise creations and express individual style.

PROGRAMME OVERVIEW

- Five weekly sessions
- 2 hours per session
- Maximum of 15 makers per session
- All materials provided
- Suitable for boys and girls aged 7+
- No previous experience required

Children who complete all five sessions will receive their exclusive Young Makers Studio – Creative Maker Badge.

★ EACH SESSION INCLUDES: ★

MASTER MAKER PROJECT

A guided feature project

SIDE QUEST

A smaller project to develop skills and creativity

CREATIVE CORNER

Colouring sheets, design activities and self-directed creativity for early finishers or those needing a quiet moment

AIMS OF THE PROGRAMME

Young Makers Studio aims to:

- ♥ Encourage creativity and self-expression.
- ♥ Develop confidence and fine motor skills.
- ♥ Provide opportunities for social connection and friendship.
- ♥ Introduce children to new creative techniques.
- ♥ Create a calm, welcoming and inclusive environment.
- ♥ Celebrate individuality and imagination.

Above all, Young Makers Studio is about creating a space where young people can explore, create, make friends and be proud of what they make.
